I am delighted to have served as a delicious chicken dinner and turkey raffle in Chancellor Commander of North Shore November, and we are looking for the homecoming of our own Ed Rasquin (TBA) and our annual open holiday party on Tuesday, December 16th.

On January 20th, I will be giving a lecture on all the new 2008 tax changes, as well as, distributing my booklet entitled, "IRS SECRETS REVEALED: 21 AUDIT RED FLAGS." A question and answer session will follow.

May I wish all of my Brothers a happy, healthy holiday season and the best for the coming year.

Our Lodge enjoyed the September Super Great in 2008 barbeque, bingo night and a wonderful Even More Fine in 2009 dinner/dance (held by FDR Lodge) in October,

Barry Lisak

### ONE OF THE EDITORS SPEAKS

Even though they have fallen on hard times, many businesses still reward their poorly performing leaders handsomely. We at North Shore Lodge offer no such embellishments. Perhaps, that is why we are thriving, while others are collapsing around us. Our Chancellor Commander is doing everything that one can do and he is doing it well in an effort to keep the Lodge running smoothly and the Brothers happy. The successes of autumn are about to be followed by the successes of winter.

First, we have the single most important event of the Pythian calendar year 2008/2009 for North Shore Lodge. It is the homecoming of DGC Ed Rasquin. In this column, the Editor often urges the Brothers to attend meetings and be active, because they will get so much out of it. This time there is an added reason. If you come to Ed's Homecoming, not only will you have a fun evening, but you will be honoring, thanking and doing a mitzvah for a well-deserving Pythian. Because of health problems, the date has not been set. When it is, BE THERE!!!

### SUPREME CHANCELLOR'S REQUEST

As Deputy Supreme Chancellor in the Domain of New York, I have been asked by the Supreme Chancellor Dan Cowan to compile a list of volunteer hours donated by all Pythians of New York. Your Chancellor Commander has been asked to get this information from you and to provide it to me. The hours you volunteer DO NOT have to be with Pythian activities. It could be your house of worship, Red Cross, Meals on Wheels, blood drives, Volunteer Fire Department or any worthy cause. Anyone who donates more than 100 hours in a calendar year will receive a certificate from the Supreme Chancellor. Supreme Chancellor Cowan is trying to reach a goal of 2 million volunteer hours by all Pythians.

Please contact your CC with the information so we can have an accurate total.  
Sincerely,

DSC Sir Lloyd Merson

**FROM THE SECRETARY'S DESK**

Look at the calendar. Where did the autumn go? It is almost time for our holiday party. But let us look back first.

We had a Bingo Night at our Castle Hall in October. It was terrible night weather wise, but the hardy souls who showed up had a lot of fun, and for some of them it also was a profitable night. The first game had split winners. One of the winners was Brian, grandson of Ron and Arleen Degen. He played with his prize for the rest of the night and didn't bother to play Bingo again.

Some Brothers purchased raffles offered by the Diabetes Research Committee. For \$20.00 one was eligible to win \$25.00 five days a week and \$50.00 on weekends. The winning numbers are the three numbers drawn each day in the New York lottery. Each set of numbers will be good for the entire year of 2009.

Let's go back further. The Special Olympics were held at Cantiaque Park. Members of the Lodge and their wives had a great time helping the less fortunate

young people compete in the Olympic games, including putting and driving goldf balls, racing and softball. Everyone went home with a good feeling. We're now looking forward to the Spring Olympic Games.

While we are going back, let's stop at September 7th. That was the day of the greatest Lodge picnic yet. The weather, food and camaraderie were beyond compare.

Now for the future. As I mentioned above, we will be having the holiday party on December 16th. I'll let go for now as I am sure others will discuss it in other parts of this issue.

Again, elsewhere in this issue of the Knight Light will be another poem composed by the late PC Jesse Levine.

Fraternally  
Irv Kleiman  
Secretary

**NOSTALGIA CORNER**

The last time that Ira Lugener announced that he would be running for Chancellor Commander, he made many promises. His article in the October 1988 issue of the Knight Light reads:

"Last month I gave you the exciting news that I would be running for Chancellor Commander in the spring and promised to elaborate upon my platform in future issues of the Bulletin. If you saved my past letters to the editor, then you already have an idea of where I stand on the key issues. Let me just say that I plan to do that which has to be done when it has to be done and not a minute sooner, or later, for that matter. My platform stands for those things, which under all the circumstances attendant thereto and generally in the thick of things, should be done and adhered to. If elected I promise to do that which I had promised to do and will continue to so promise and so do, regardless of the results of the election. Not only that, but I shall reduce spending without reducing benefits and increase income without raising dues. I shall do everything that anyone of you desires, even if what you desire is diametrically opposed to the needs and desires of another Brother, whose desires I am sure I shall also be able to satisfy. In other words, I will do what I must do and give you what is your due to get you to elect me Chancellor Commander."

**ONE OF OUR LATE PC JESSE LEVINE'S POEMS****SNOW**

Walking along a street filled with snow,  
People shoveling it to and fro;  
Soft white dust blowing here and there,  
Gliding along on currents of air.  
A world bathed in white what a sight to see,  
Sparkling like diamonds for you and me.  
The beauty surrounds us, this gift to us all;  
It's only in winter not spring or fall.  
Just gaze around you at the shapes snow makes,  
As it piles up on bushes, streets and lakes.  
Let your mind wander, see all you can,  
Roll it together, build a snow man.  
Slide on a sled, throw some in the air;  
It will land on your clothes, even your hair.  
Enjoy this mysterious soft white snow,  
For it is here a short time and then it will go.

**KENNETH I. AARONSON**

Dear Brothers,

We did it. The day after I submitted my masterpiece for the September Bulletin, I got a call from Simon, my boss. He said he was catering a wedding at the Restaurant in Eisenhower Park. Nuts! I don't mind the money I make, but I hated to miss the picnic. Then the Gods came through and on Friday evening I got a call that the wedding was off. It had something to do with the bride running off with the intended groom's best friend. Then the rains came and the good news for me was spoiled by the thought that the picnic would be canceled.

Come Sunday morning the sun was out. Evelyn and I brought little Hillary over to my in-laws and we went to the picnic. Hooray. We finally had a day for ourselves and my Lodge Brothers. I met the secretary, Irving Kleiman, and he introduced me to some of the officers and regular members of the Lodge. I bet there were close to 100 people attending.

I must say we had a great time. The men who were working the barbecue were doing a great job. Had to wait a little while for the hamburgers and then the guy in the blue Knights of Pythias shirt insisted on giving me two. With ketchup and onion, they were the best. Donovan's on Bell Boulevard, I thought made the best hamburgers, but our Collation Committee's were even better. It could have been the atmosphere, but who cares when you're having a good time. I have a hard time remembering names, but the fellow named Murray serenaded us with songs. A little off key and acappella, but it was fun.

Evelyn and I can hardly wait until next year's picnic. With a little luck, we will get to some of the other great affairs that North Shore Lodge holds.

Fraternally,  
Kenneth I. Aaronson.

**TEN TAX-SAVING STRATEGIES** By Barry Lisak, EA, IRS Enrolled Agent

1. Recovery Rebate Credit- Those who did not get maximum rebates in 2007 will be made whole with this year's filing.
2. If you are a NYC resident, who does not have to file, you are eligible for an automatic NYC school rebate of \$145 (single) or \$290 (married).
3. If you are a Nassau County resident, a new Cold War property exemption has been passed. You must have served in the military from 1946-1991.
4. Standard deduction filers (i.e., those who do not itemize) are entitled to deduct property taxes up to \$500 (s) and \$1,000(m).
5. If higher, you can deduct your state/local sales taxes instead of your NYS/NYC income taxes. Mostly retirees and pensioners are impacted.
6. You may withhold federal taxes from your social security payments. This may eliminate the need to pay estimated taxes every three months.
7. Grandparents' contributions to "529" educational plans are not considered for financial aid computations.
8. You can legally claim your live-in companion if you provide the support, companion's income is under \$3,500, and live together entire 12 months.
9. For the next 2 years, you will pay ZERO capital gains if your income is under \$32,000 (s) and \$65,000 (m).
10. If you have a capital loss carryover from previous years, you should save those tax returns forever should the IRS audit your return.

## DEPUTY'S MESSAGE

On October 7th, we had an excellent turnout for the delivery of the Grand Chancellor's Message. We started off with a buffet Italian dinner that left everyone pleasantly sated. Then we had our regular meeting, followed by the giving of the Message. We filled the Castle Hall with Brothers and laughter.

## CHICKEN DINNER AND TURKEY RAFFLE

Success is a word that sometimes is used too often. However, it is apropos when speaking about our Annual Chicken Dinner and Turkey Raffle. In fact, it would be hard not to have a good time at this festive occasion. They say that money goes to money. You can decide if it is true. The winners of this year's turkey raffle are (in alphabetical order) PC LM Monte Leschen, CC Barry Lisak and VC Sidney Weber. YOU SHOULD HAVE BEEN THERE!!!

## BINGO

It was another successful Open Meeting. Irv and Tony called the numbers and a good time was had by all. YOU SHOULD HAVE BEEN THERE!!!

## GRAND LODGE CORNER

The Grand Council meets on the first Monday of each month and the minutes are taken by Grand Secretary Irv Kleiman. Irv, as we all know, also makes his presence known by being one of the strong supporters of GC Roger Siegel and Grand Lodge. He attends countless honor nights and other Pythian functions and often is asked to speak. All-in-all, he brings credit to our Order and to North Shore Lodge.

## FOURTH ANNUAL PICNIC

About 85 Pythians, their families and friends had a great time at our Annual Picnic. After a nail biting week, the storms struck on Saturday, but the sun came out on Sunday, giving us perfect weather and a perfect day. Special thanks go out to Itzy, Arie and Jerry, who organized the event and then cooked and served a great meal. We literally had people there from six months to close to 90 and they all enjoyed the day.

**IRA S. LUGENER**

To My Brothers:

You will recall that in the last edition of the Knight Light, I announced my candidacy for the position of Chancellor Commander. I also promised to outline my platform.

My theme will be "Change." Yes, change. Unique for a platform, isn't it?

What would I change? you might ask. Glad you asked. READ MY LIPS. NO MORE SPENDING. Lodge meetings would be in the back room of a local diner with everyone paying for his own beverage and dessert. Open meetings would be fund raisers, such as bingo with the Lodge getting one-half of the proceeds. Collations would be greatly improved with high end gourmet food and desserts. Of course, they no longer would be free. Finally, the Bulletin would only be mailed to Brothers who paid an additional \$5 in dues. After all, you can read it free on the Lodge website, so why should the Lodge pay for the computer illiterates. If you don't have a computer, just ask a friend who owns one to print the Bulletin for you.

My theme is: Eat, drink and be merry, but don't expect the Lodge to pay.

Fraternally,  
IRA S. LUGENER

**OUR SOFTBALL TEAM**

The North Shore Lodge Softball Team, known as the Tribe, won the B-2 Division title with a 17-7 record. They lost in the semi-final, round 2 games to 1. Win or lose, we're happy to have the members of the Tribe as our Lodge Brothers.

**CORRECTION**

The September 2008 Knight Light reported that PACDGC Alan Reiman was a member of Ramapo Lodge. He is a member of Dutchess Lodge No. 860 in Wappinger Falls and never belonged to Ramapo Lodge.

**NECROLOGY**

It is with deep sorrow and regret that we offer our sincerest sympathy to our Brothers and their kin upon the demise of dear members of their families.
