CHANCELLOR COMMANDER'S MESSAGE

The best thing about being Chancellor Commander for the 2010-2011 Pythian Year is that I will have the same crew working with me to make it a fantastic experience. We had no retirees and no trades, just a few changes in position; so it will be the same great lineup of officers, Committee Chairmen and volunteers.

I could fill this column with a list of all the wonderful activities we planned for North Shore Lodge at our Budget Meeting in August. However, I will let you read the rest of the Bulletin to find out what will be happening at our meetings. The purpose of this column is to reach out to a small group of men, who could be the core of our future.

The ballplayers in our Lodge, led by Tony Mercado, get up early every Sunday morning. They leave their families or wake them up to bring them along. Then they meet to play ball-softball or football. Why? It's simple. They are having a good time. So I ask you Tony and friends, what would make it worth your while to go out two Tuesdays a month to attend a meeting that lasts between 45 and 90 minutes? If we gave away Yankee and Mets tickets, would you be there? If we had a gourmet dinner planned, would you be there? If we ordered in McDonald's cuisine, would you be there? If we let you bring your wives and sweethearts, would you be there? PLEASE TELL US WHAT IT WOULD TAKE. Because, you see, Tony and friends, we want to be your friends. Now you might ask why?

For 146 years the Brothers of the Knights of Pythias have been contributing to the community, volunteering at hospitals, helping

the less fortunate, playing Santa Claus, and giving money to charities and our troops here and abroad. At the same time, the Brothers have enjoyed each other's friendship and many good times together. We need people to carry on these wonderful activities and at the same time to also enjoy being a Knight. If we old timers did not love the Knights of Pythias and did not think that it was a wonderful and noble institution, we would not care about keeping it alive. It would be so simple to just meet in a diner and trade stories. But we have so much more and we want to share it and keep it alive.

We have spent a lot of money supporting our ballplayers. It is money that could have been spent on packages for our soldiers, sailors and marines in Iraq and Afghanistan, on children suffering from serious illnesses, or on just having a good time. Instead, we chose to invest in our future. In return we are looking for a future for the Knights. We do not expect the Knights to be the center of anyone's life and we certainly do not want our Brothers to consider attending our meeting to be a sacrifice. It must be fun and rewarding.

So I ask you, Tony and friends and all my other Pythian Brothers, what would it take to make you want to come down to one or two short meetings a month? Why would you not want to come to a picnic on Sunday, September 12th where the hamburgers, hot dogs, trimmings, dessert and drinks are free? What do you want us to do? While we need you to survive, we also have so much to give you. Won't you BE THERE?

Fraternally and Sincerely

PC Sidney Weber

SIXTH ANNUAL FRIENDS AND FAMILY PICNIC

On Sunday, September 12, 2010 come to our annual picnic.

The picnic starts at 11:00 A.M. and officially ends at 3:00 P.M., but you can stay as long as you like. If you bring your chair, we will supply the hamburgers, hot dogs, potato salad, coleslaw, trimmings, drinks and dessert. The place is the same idyllic spot at 193rd Street off Union Turnpike in Cunningham Park with plenty of shade and a playground for the children.

To get there, just go south on Francis Lewis Boulevard and go right at the first entrance south of Union Turnpike. Continue to the end and you will BE THERE!

All Brothers, their families and friends are invited.

FROM THE SECRETARY'S DESK

Brothers, there is so much to write about the beginning of a new Pythian year. If that is so, why am I having trouble getting started? It is funny; once you start, the words just appear on the paper. It reminds me of being active in almost any organization. Once you start, you never can tell where it will lead. However, I am here to speak about the Knights.

Usually we have two regular meetings (called conventions) and an Executive Board meeting in September. This year, because of holidays, our only convention will be at Scobee Diner on Northern Boulevard and Little Neck Parkway in Little Neck, starting at 8:00 P.M. The Executive Board meeting will be on the 28th. It will follow the 52nd District meeting that starts at 7:30 PM

We are wasting no time. Our first extra activity is our annual picnic that will be in Cunningham Park on September 12th. Location is 193 Street and Union Turnpike. Time is 11:00 A.M. Food will be served until 2:00 P.M., but the picnic will last as long as you stay. Unless you would like something special, all you have to bring is a chair. I am sure someone else will describe the menu somewhere in this issue. Do not forget to bring prospective members.

Now let us get down to the business of being Pythians. Does Friendship, Charity and Benevolence sound familiar? It should. It is our motto. The Budget Committee came up with a proposed budget to vote on at our first convention. This budget calls for the Charity Aids Committee to donate \$1,000.00 for charities. If I named and described the charities which usually receive donations from us, it would take more space than is allotted to me. If you guys want to give some input as to where our money should go, you have a couple of options. You could come to a meeting and express your opinion when we make a decision or you could call CC Sidney Weber at 718 357-7745 to ask him to name you to the Charity Aids Committee. As of the last meeting, it had openings. There also are open slots on many other committees. Sidney will be happy to hear from you. He may even tell you about his new old car.

See you soon.
Fraternally,

Irving Kleiman, Secretary

KENNETH I. AARONSON

It is nearing the end of the summer season. It has been so hot, that in my forty-one years, I cannot remember a hot summer like this. It has been tough on Evelyn and Hillary. It was too hot for Evelyn to take Hillary out for a walk. We have an air conditioner that came with the apartment that needs replacing but with the catering business so slow; we feel we should conserve our finances.

I see in the papers that Chelsea Clinton got married and they spent big bucks for the shindig. If only Simon could have picked up that job. I would not be worrying about his going out of business. His reputation would soar. I mentioned that to Evelyn and she tells me that I am a dreamer. I keep trying to drum up some business for Simon so that I would receive a paycheck a little more frequently.

I spoke with Jerry, asking him if there was some chance that we could cater the lodge's picnic. He said he would mention it to CC Sid Weber, but it is highly unlikely as there is no charge to anyone going there. The lodge has been doing it for a few years and they pick up all the expenses. I know it is grasping at straws, but I cannot wait until the economy turns around.

I guess my brothers; you will see me at more lodge conventions as I can plan to have my dessert there. I am tired of saltines and graham crackers. I also feel that if I go to meetings and hear that we are planning a party or a dinner, I will be there on the ground floor to make a bid for the catering.

THE 52ND DISTRICT

Once upon a time, Douglaston, Great Neck and Glen Oaks Lodges were part of the Fabulous Fourteenth District, together with Jericho and East Meadow Lodges. Those were the halcyon days of the Knights of Pythias. We had packed District meetings, a District Bowling Tournament, and well-attended dinners. Alas, only Jericho Lodge remains. East Meadow Lodge merged into Alliance Lodge. Douglaston, Great Neck and Glen Oaks Lodges are now North Shore Lodge. And, of course, the 14th District is no more. After the demise of the 14th District, we joined the 10th District. At first, we were part of a vibrant District, but mergers left just two active lodges with Castle Halls far apart. When the 52nd District beckoned us, we answered the call. All of its lodges are located in Queens County and its members practice friendship, charity and benevolence. We found a good new home.

ATTITUDE

The longer we live, the more we realize the impact of ATTITUDE on our life. You can believe that ATTITUDE is more important than facts, more important than the past, than education, than money, than circumstances, than failures and more important than successes. It even is more important than what others may think, say or do. ATTITUDE is more important than appearances, skills or being gifted. It even will make or break a company, a home or a family. We all have a CHOICE each day regarding the ATTITUDE we will embrace for that day. ATTITUDE is what controls what happens to you in life. Remember, YOU and YOU alone are in charge of your ATTITUDE.

ONE OF OUR LATE PC JESSE LEVINE'S POEMS

GUITAR

The pulsating sound of a strumming guitar

"Is it near or is it afar?"

This very slow beat that moves my soul,

Haunts my senses, makes me whole.

Fingers cap, body in motion,

Mind listens,-,a quiet emotion.

Completely relaxed, all at ease,

No longer tense, just guitar and breeze.

"Where is this music coming from?"

Here on earth, under the sun?

Is it just a sound I hear?

Not physical, rather in my ear?

I do not know this mystical place,

All I can tell, there is no race.

A peaceful setting puts me at ease,

This strumming guitar will haunt and tease,

As I rest and gather my strength.

THE DEPUTY'S CORNER

This year I will be representing the 52nd District as Deputy Grand Chancellor in our Lodge's first year as a member of the District. In alphabetical order, the members of the District are Knickerbocker, North Shore, Pomonoc Kew Hills, Queensview and United Queens Lodges. I truly appreciate the respect and support that I have received from Grand Chancellor Michael Sukenick, the Brothers of the 52nd District, and, of course, my Brothers in North Shore Lodge. I will do my best to serve you well.

It has been an interesting and winding road that brought me to the position of Deputy. My appointment seemed to be on again, off again and on again. It was difficult not knowing how things would end up. For their guidance and faith in me, I especially thank three North Shore Lodge Brothers. PACDGC Ron Degen's sound advice to remain patient and to let destiny take its course helped keep me at ease and turned out to be 100% right. Grand Secretary and Lodge Secretary Irv Kleiman also helped to keep me calm and to just wait for the position to be offered to me. Finally, the support and encouragement of PDGC Tony Rivers means a great deal to me and was very helpful as I waited to see whether I would be chosen.

I look forward to seeing my Brothers on Tuesday evening, October 5, 2010, when I deliver the Grand Chancellor's Message to North Shore Lodge at Marathon Jewish Center. I already have scheduled my visits to other lodges in the District for September 15th, September 16th and September 21st and hope that some of you will join Ron, Irv, Tony and me there. Just call one of us if you need a ride.

In closing, I wish all my Brothers and their families who are celebrating the Jewish New Year this month a joyous and safe new year, and to all my Brothers in the Order, Peace!!

PLEASE REMEMBER TO SUPPORT OUR TROOPS ABROAD. THEY FIGHT FOR ALL OF US AND WE SHOULD ALWAYS FIGHT FOR THEM!!!

Fraternally,

Rebert J Banks, DGC

HALLOWEEN PARTY

"Trick or treat" is heard everywhere at the end of October. We have taken out the trick and left in the treat by arranging for a Halloween Costume Party. Costumes can be nothing more than a cap or a pin or can be an elaborate outfit. In fact, they are not required, but they surely would enhance the evening.

Anyway, it will be a night of fun, food, entertainment and a good time had by all. The party will take place on **Thursday evening, October 28, 2010, starting at 7:30 P.M.** at the Jericho Lodge meeting hall located in the Hicksville Community Center, 15 West Carl Street, Hicksville, New York. Just set your GPS or call Itzy, Irv or Ron and **BE THERE!!!**

BUDGET AND PLANNING MEETING

On Tuesday, Aug 10, 2010, quite a few Brothers attended the annual Budget and Planning Meeting at Sinai Chapels. We have approved a budget and worked on a Calendar of Events and are looking forward to a fun and productive year. Check on page 8 for the calendar.

A WASTE OF TIME?

Recently, I told someone that I had become active in the Knights of Pythias. He told me that I was wasting my time. He said that in this modern world, fraternal lodges are dinosaurs and that in this changed world the Knights serve no purpose. He added that the Knights are a social club and that if I wanted friends, I would be better off chatting on Facebook.

It is sad to think that many people may hold this view. We have become a society that shuns human interaction. Instead of being a dinosaur, the Knights of Pythias is emblematic of one of the greatest attributes of the human spirit. It enables one to give of himself to something noble and powerful. This person had no idea of the philanthropic work that our organization has done for so many years and continues to do. Obviously, he did not know about the important contributions our members make when they give comfort to veterans, help needy children go to camp, or bring some fun into the lives of children diagnosed with a debilitating disease.

The Knights must survive, because if it disappears, a vital part of the human spirit will expire with it. Therefore, I urge everyone to become an "active" member. Be more than a dues paying member preserving his burial privileges. Otherwise, the Knights of Pythias will die a death caused by apathy. There is much benevolent work waiting to be done and we are the soldiers-the Knights that make it happen. Come to meetings, be active, and volunteer for something. Not only will you have a good time, but you will be greatly rewarded with the smiles and thanks which others give to you when you give of yourself and help one of the worthy causes that our organization supports every day.

THE TIGERS ROAR

The North Shore Tigers have completed their first season in the WQSL A Division and what a season it was. They ended up with the best regular season record in the league (18-5), which was amazing considering their young but talented players had never played against such tough competition. The Tigers quickly realized that the gap between B Division (which they won last year) and A Division is very substantial and they would not be able to overcome mistakes in 2010 which they were able to get away with in 2009. In the semi-finals against the Bandits, the Tigers overcame a 2-run deficit in the last inning of Game 1 with a Walk-off 3-run Homerun!! Game 2 would be an instant classic that saw both starting pitchers go 12 innings in a 2-1 victory for the Bandits. In Game 3, the Tigers set the tone early and often by scoring at will and coasting to an 8-1 win. Next up for the Tigers was a match-up with the Outsiders who won the A-2 Division. Since the Tigers won the A-1 Division, it was a battle between Divisional winners. In the Final, costly base running and mental mistakes came back to haunt the Tigers in the end. Yet, even through all that they still managed to load the bases in the bottom of the 7th and had one last chance to make something happen. It was not to be and the game would not end in a walk-off as it had the week before. Instead, a sharply hit line drive was caught and the runner at second was doubled up to finish the game on a double play and a final score of 7-5. In Game 2 we were in a funk, because we could not believe how game 1 had been played and ended. We quickly fell behind 5-0 and it stayed that way. All season the Tigers had not lost 2 games in a row and it just so happens that on the final day of the season it happened. The day after the loss, the Commissioners of the League sent an email to the team coach/captain Tony Mercado in which they stated that they "cannot recall a team doing what you did in their first year in the A Division." With everyone already committed to being on board for the Fall Season, we hope to get our revenge on the league in the Fall Championship!!! The North Shore Tigers are here to stay and we will win that elusive WQSL A Division Championship!!!

Fraternally, Tony Mercado

To My Brothers:

When I was a kid, the sounds heard on the radio at the end of August each year were: "School bells ring and children sing, it's back to Robert Hall again. Mother knows to save on clothes, it's back to Robert Hall again. You'll do great on clothes for school, shop at Robert Hall." Isn't it amazing how things have changed? Where is Robert Hall today? Wouldn't it be sexist and otherwise politically incorrect to imply that father does not know how to save on clothes? Of course, in those days, we had so many more stay-at-home moms and a different division of labor and responsibilities between the sexes.

One thing has not changed: In September, kids still go back to school and they don't go naked. So why aren't the Knights capitalizing on this phenomenon? We should take

ROBERT BANKS' HAT TRICK

We all know that in hockey, to achieve a hat trick means to score three goals in a single game. In North Shore Lodge, this year Robert Banks is performing a hat trick or, should we say, he is wearing three hats. Like Bartholomew Cubbins (don't tell me you don't remember Dr. Seuss' famous character), each time Robert takes off a hat, another one appears. First and perhaps foremost, Robert is the Deputy Grand Chancellor for the 52nd District, which encompasses a number of lodges in Queens County. He has been waiting many years to become a Deputy and he richly deserves the opportunity to serve. He is very anxious to do the job and to perform it well. It seems as if our Grand Chancellor made the right choice. Our friends in our new District needed someone with leadership skills to also head the District. Quite naturally, they turned to Robert and being the kind of guy who can't say no, he accepted. So Robert will also be President of the 52nd District. Long before Robert knew that North Shore Lodge would even be in the 52nd District, he began to ascend the chairs of the Long Island Pythian Council. It turns out that Robert will also lead the Council as its President for the 2010-2011 Pythian Year. So there you have the hat trick-Deputy, President of the District, President of the LIPC-which Robert is performing this year. North Shore Lodge wishes him a great year and much success.

GRAND LODGE CORNER

What do Irv Kleiman, Robert Banks and Ron Degen have in common? Answer: They attended the Grand Lodge Convention at Eden Resorts in Lancaster, Pennsylvania from July 5th through July 8th. While sometimes very little of consequence transpires, while at other times important legislation and close-fought elections take place, the Convention is very important to the life of the Knights of Pythias. It brings the Lodges of the Domain of New York together and creates an atmosphere conducive to the airing of both new ideas and grievances.

This year, Steven Kohn and David Stanger ran for the office of Grand Outer Guard. In a very close election, Steve won and now is the newest member of the Grand Council. Congratulations, Steve!!! He comes from a long line of Pythians, has two sons who are active in Grand Lodge, and is the husband of Past Grand Chief Debra Kohn.

Grand Treasurer Alan Ast completed his sixth year of service on the Grand Council and earned the title of Past Grand Chancellor. Not willing to rest on past glory, Alan continues to work hard as Grand Treasurer for the present Pythian Year.

The North Shore crew, including Anita Kleiman and Arleen Degen, had a great time. They broke bread with PDGC Ike Braunstein of Queensview Lodge and PACDGC Bruce and Candi Nelson of Rochester Jay Lodge and enjoyed beautiful weather. The one complaint that the hotel was too far from New York should be rectified next year, as new sites are being investigated by the Convention Committee. The one sad note is that Barney and Janet Linden could not join us, because of Barney's health problems. We wish them good health and hope that they will join us at next year's Convention.

cue from the once prosperous Robert Hall. I don't mean that we should sell clothing or form a school. No, we should be there at the clothing stores, at Staples, Office Depot, Barnes & Noble and anywhere else that kids go with their eligible fathers, that is eligible to become members of our Order. Then, we should be there giving out cards with our name and contact information on the front and some good clean jokes that kids and parents will like on the back.

The Knights have had success with collecting donations with shake-a-can drives at malls. This time, we should be giving, not taking, from shoppers.

Of course, I did my job in thinking up this great idea. Now, King Michael Sukenick and King Sidney Weber, send the troops out.

Fraternally,
IRA S. LUGENER

GRAND & SUPREME LODGE WEBSITES

In the past issues of the Knight Light, we announced that the Grand Lodge has a brand new web site at www.kopny.com and that the Supreme Lodge now publishes the Pythian International Magazine on a website www.PythianInternational.com, both created by our own PC Izhak Sirota.

We are now pleased to inform you know that there are considerable **travel discounts** available to Pythians at the Supreme Lodge's website: <http://members.pythias.org> created by PACDGC Bruce Nelson. Bruce Nelson is the Webmaster for the Supreme Lodge's website: <http://pythias.org>.

VISITING THE DEPARTED

At 10:00 A.M. on Sunday, September 19, 2010, a few Brothers from North Shore Lodge will meet at Wellwood Cemetery. We expect to be there for about one hour to inspect and clean up our two burial grounds located diagonally across from each other on the corner of North Avenue and Isaiah Road. Of course, we also will visit the graves of our departed Brothers, whose contributions to the Knights of Pythias and whose friendship enriched our lives.

It is very important that we take care of the grounds, which, for many of us, will be our final resting place. I hope to make it an annual event. If you would like to join us or if you need a ride, just call Izhak "Itzy" Sirota at 516-987-1200

IN MEMORIAM**PDGC LM ALFRED E MANNING**

Our last issue of the Knight Light went out before we could include this memorial to our Brother, Alfred E. Manning. Al was a Charter Member of Glen Oaks Lodge and had his hand in the birth of the Lodge. He served on all of the working committees; as Chancellor Commander, and on the Welfare Association as Cemetery Chairman, Vice President, and President. He helped in the formation and was the daddy of Rochdale Lodge. Al epitomized what a true Pythian should be and gave his all as Deputy Grand Chancellor of the 14th Pythian District.

During WWII Al was a member of the famed 82nd Airborne and participated in the D-Day invasion. Through all of the hardships of life, Al always had a smile on his face and a quip on his lips. We still remember him running through the halls at Brown's Hotel at 6:00 in the morning blowing a bugle and shouting to all who could hear not to waste the day. (Which endeared him to all our members and all of the other guests of the hotel).

Aside from the silliness, Al and his loving wife Pearl were always there when anyone needed them. All who crossed his path were most fortunate in having him as a Brother and a friend. To his wife Pearl, thank you for sharing him with us. He will be sorely missed.

May His Soul Be Bound In Eternal Peace
